

Additional Opponents for Strip Poker Three

SP3 DATA DISK #1:

Morgan and Kathy. Morgan is hoping to get appearances in mens' magazines and reveals quite a bit on this disk, while Kathy provides some eye-popping assets of her own.

SP3 DATA DISK #2:

The ideal disk for couples: Samantha, fresh from the beaches along Florida's gold coast, is our female opponent, and Jack, unwinding after his act at the club, is our first male opponent.

SP3 DATA DISK #3:

Gina, tall, pretty and friendly; and Holly, our first black opponent – she's not only beautiful, but she also plays a mean game of poker.

SP3 DATA DISK #4:

Stacey: effervescent, witty and quite pretty, joins up with Desireé, our blond bombshell!

SP3 DATA DISK #5:

Kelly, our pretty secretary and Maureen, a very demure art teacher.

SP3 DATA DISK #6:

Suzi and Melissa are back! See the opponents from our Strip Poker II Master Disk as you never have before!
